Volunteer Two-Hour Power Pledge

- Yes! I pledge to give at least 2 hours of my time to Collinswood this year.** The PTA asks every parent to commit at least 2 hours! Research shows children perform better when a parent is involved in their school. Together, we can make a difference! Please check the opportunities you're interested in:
 - Fall Festival – Sell tickets, supervise inflatables, help set up, etc. You'll work a one-hour shift.
 - Translation – Help translate PTA communications from English to Spanish
 - Book Fair – Help children fill out wish lists or work as a cashier at our Fall and Spring fairs!
 - Summer of Learning (SOL) committee – Help solicit donations and plan our reading program.
 - Reading buddies – Work with a student or small group once a week (English or Spanish).
 - Father-Daughter Dance committee – Help plan and execute this annual event in February.
 - Beautification– Join us in the fall and spring to spread mulch, plant flowers and more!
 - Multicultural Potluck committee – Help put together our fall and spring potluck events.
